MIRAI Program

(Mutual-understanding, Intellectual Relations and Academic Exchange Initiative)

Overview

European Policy Division, European Affair Bureau, MOFA of JAPAN 2018 June

- The program invites young leaders who are expected to play an active role in international society and provides opportunity to have intellectual exchanges with Japanese students of same generations and scholars.
- The program aims to deepen participants' understanding of Japan and its policy, to promote mutual understandings and build a basis for future friendship and cooperation between Japan and their regions.
- All participants are expected to share and disseminate their experiences and charms of Japan proactively through SNS and other media during/after the visit.
